SANDSTORMXFIRESTAR

I loooovvvvveeeeee this one.It's kinda like High school musical except gender swap and Troy isn't a bully.The only thing about it is that Firestar loved Spottedleaf before.I know that doesn't have anything to do with it really but it kinda ruined the sassy and outgoing Sandstorm in firestars quest and instead she was paranoid that firestar thought she was second best for him.

BREEZPELT X IVYPOOL

Recently I've seen a lot of this and I'd like to say.....no.just no.
1I know "they both went to the dark forest because of there family"but Ivypool went because she thought Dovewing was stupid and wasn't thinking starlight cause of all the anger towards Dove wing
(I personally don't think Breezpelt is EVER thinking straight)

An Breezpelt went cause his Dad hated him and he actually did.
ALSO Breezpelt knew what they were doing and didn't try to stop it but Ivypool did.
Soo in conclusion Ivypool was only ever a brat when she was IVYPAW but Breezpelt.....still is.

JAYFEATHER X HALF-MOON

I really like it.I know Half-moon is way older but she doesn't know at least until she's dead.

I just think Half-moon makes Jayfeather reasonably bearable to some extent.
I didn't really like the third series so this was a highlight and if you don't like this ship....go away.

SQUIRRELFLIGHT X ASHFUR

WHAT?!This completely RUINES Ashfur as before he's kind and caring and now he's like the the main protagonist and just weird.Also like the imposter in among us.

IT ALSO kinda ruins Squerrelflight and Bramblstars relationship cause I know"it would've come out sooner or later"but at least a cat wouldn't have DIED in the process!
